

STATEMENT OF PURPOSE

Part I

Orchid National Nursing Supply expect to enhance Hospitals, Care Homes, and Companies by providing the correctly qualified nurse or carer according to the desired requisite. There may be a staff shortage or simply a temporary situation that requires a nurse or care assistant. Maintaining this service, care or the quality of life are all key elements that are brought about by employing a high standard of staff.

Orchid NNS make every effort to comply with all legislative procedures and carry out reference checking, sight of qualifications, correct interviewing techniques and CRB Checks, together with various alternative identity checks, including work permits, passports and driving licences.

Orchid Nurses are all highly recommended for their Energy, Care and Trustworthiness.

Finally, we hope you find Orchid NNS an excellent service provider
